## The Harnhill Centre of Christian Healing

Established in 1986 out of the vision of a local vicar, Canon Arthur Dodds, The Harnhill Centre of Christian Healing brings the healing love of Jesus to all who visit.

The Centre is set within a 16th century manor house in the beautiful Cotswold countryside. It is staffed by a full-time community, led by a warden chaplain, supported by volunteers and administered by a charitable trust.

Around 8,000 people visit the Centre each year through conferences, courses, healing services and residential stays. Anglican in foundation, Harnhill is ecumenical in its outlook and a warm welcome awaits all who visit.

The facilities at The Harnhill Centre are available for church groups, conferences, retreats and Alpha Holy Spirit days. Individual prayer ministry can be received either residentially or by appointment.

If you have any specific requirements for a group residential stay, or would like to discuss how your church could use our facilities, please contact us on:

# The Manor House

## Residential Accommodation

The Harnhill Centre is an idyllic residential location for your church group, where a warm welcome awaits all who visit.

The Manor House can be hired for weeks and weekends by churches or groups on a full board basis. The residential complex consists of seven twin-bedded rooms and six single rooms, all of which are en-suite. This gives the Centre a 20-bed capacity.

### Home from home

In The Manor House is a comfortable lounge and an equipped conference room, along with two other smaller rooms for individual prayer ministry or quiet time. We also have a book shop.

The dining room looks out onto a courtyard and is served by a modern, well-equipped kitchen. All our food is prepared by our professional chef and his team, who produce locally-sourced home-cooked meals. We can provide special diets for those with particular needs.

Ample free parking is available on site.

# The Barn

## Conference Centre

The fully-equipped conference facility at Harnhill is the perfect location for small or large church groups looking for a completely self-contained venue.

Our barn has been restored and is now equipped as a conference centre, available to hire with The Manor House or separately. The Barn can hold up to 150 people and is equipped with multimedia facilities.

The Barn's refectory contains a small kitchen and serving area, along with tables and chairs. We also have other rooms available for smaller groups.

For a major conference, along with the 20 beds in The Manor House, there is a variety of bed and breakfast accommodation locally.

## Teaching and training

If you don't plan to bring your own speakers with you, the team at Harnhill can provide input for your group in terms of talks, worship and prayer, on the healing ministry and its associated subjects.

The Barn conference centre is available to hire for a full day or per hour. For more detailed information and rates please contact our office team on:

# Prayer Ministry and Personal Retreats

An opportunity for time away with God in an environment of peace and refreshment.

Individual prayer ministry and practical teaching can be received residentially at our Healing Weeks and Weekends, or by appointment. Prayer ministry is with our trained prayer team in private rooms within the prayer ministry wing.

Healing services take place twice a week on Wednesday and Friday, where there are opportunities for healing prayer with trained prayer ministers.

The Centre runs training days/weeks and conferences where you can learn more about the Christian healing ministry and other aspects of abundant life in Christ. Our experienced ministry team members are also available to visit your church or group to encourage the healing ministry where you are.

We have a team of intercessors who are available for prayer needs if you are sick and unable to get to the Centre.

## Come and receive

Many Christians like to take a retreat from time to time. If we have rooms available, you are welcome to come to stay and enjoy the worship times and meals, yet do your own thing as far as your retreat is concerned.

The Centre has over an acre of well-tended gardens with small areas for quiet times, prayer and contemplation. The surrounding fields give plenty of opportunity for walks and there is a Norman church close by available to visit.

Our full-time residential team will look after you and we believe that as you spend time at Harnhill, you will meet with Jesus. We invite you to experience and share in the joy and excitement of His ministry here.
