

# The Harnhill Centre Prayer Diary

Thank you for regularly praying for the Centre. We have seen many answers to prayer over the years - provision of staff and volunteers, of finances and many testimonies of healing. May God's Kingdom come; may His will be done. Please pray for the Harnhill team, as you feel led.

## Daily Prayer

A daily rhythm of prayer takes place in-house at 9.30 am, 12.45 pm and 5.30 pm. Compline is said on Wednesday at 8.30 pm and evening prayer on Friday at 5.30 pm - a copy of the Compline service is available on the website for you to download, if you would like to join us in prayer at this time. Here are some suggested themes to inform your prayers throughout the week:

**Monday:** For the Harnhill staff team, for resilience and strength as they respond to the many ongoing changes during this time. For God's blessing as they prepare the house and facilities for incoming guests each week.

**Tuesday:** For the safe arrival of guests travelling to the Centre throughout the week - and for them to quickly feel at home and experience God's peace.

**Wednesday:** For the prayer ministry taking place during the week and that each guest will experience God's love and receive healing and restoration.

**Thursday:** For safety and protection on site and for team and volunteers who work to maintain the buildings and garden.

**Friday:** For the Centre's leadership, as they make decisions and respond to the many challenges of COVID-19 and the changes needed to offer ministry in new ways. For discernment through prayer for the way ahead and to trust in God's provision for every aspect the Centre's ministry.

**Saturday:** For the residential members of the team as they continue to deepen their life in Jesus and work together in community. For strength and resilience as they cover many different tasks.

**Sunday:** For the development of outreach work and discernment in the way ahead for those exploring new ideas. For the volunteers and wider community of Harnhill - to experience God's restoration and have opportunity to be faithful witnesses to the healing love of Christ within their own communities.

***Pray in the Spirit at all times in every prayer and supplication. To that end keep alert and always persevere in supplication. (Ephesians 6:18)***
