We warmly welcome you to the Harnhill Centre, based in the beautiful Cotswold countryside of Gloucestershire. The Centre, founded by Canon Arthur Dodds in 1985 extends a ministry founded in the healing love of Jesus Christ. Throughout the Centre's activities we place an emphasis on offering pastoral care and hospitality and prayer ministry, alongside which, is a deeply founded intercessory prayer ministry.

**Here are some highlights from our programme:**

### Church Leaders' Retreats

We are delighted to be able to offer two Church Leaders' Retreats which are new for 2023. These will be held on:

Tuesday 10<sup>th</sup> – Friday 13<sup>th</sup> January 2023

Tuesday 18<sup>th</sup> – Friday 21<sup>st</sup> April 2023

*From a Guest  
"The presence of God is tangible at  
Harnhill."*

Specially for Church Leaders this is an opportunity to rest, connect with others and receive God's healing. These retreats are for 3 nights, and those attending will receive 2 ministry appointments during their stay as well as times of worship and reflection. It is possible to stay an additional two nights.

### Personal Retreats

Personal Retreats offer the flexibility of staying between 2 and 5 nights (between Tuesday and Sunday) to suit your time, availability and budget. These Retreats are aimed at those who want to step away from everyday life and spend time in the presence of God, or those who have attended a Walking into your Healing Retreat and wish to continue their journey of healing.

We are pleased to offer one Prayer Ministry or one Spiritual Accompaniment appointment during your stay. Everyone is welcome to join in the rhythm of worship and prayer.

### Walking into Your Healing Retreats

These Retreats are aimed at those who are beginning their healing journey or feel that they need a fresh start. The teaching focuses on how we journey with Christ as we seek His healing. These Retreats are for 3 nights and guests will receive two Prayer Ministry appointments along with times of Biblical meditation and teaching.

There is an opportunity to join in with the Centre's Way of Life (which involves shared worship, teaching and meals) while you experience relaxation and refreshment in this peaceful and loving environment.

*From a Guest  
"It has been a delight to be here. The surroundings bring peace immediately and the chance to be still is a privilege and blessing. The commitment of staff and volunteers is really appreciated. They have created a real sanctuary away from the storms of life."*

### Referring church members and bursaries

New this autumn is an opportunity for Church Communities to work collaboratively with us. The hope is that we can encourage churches to co-fund a member of their community in need of ministry to come to Harnhill. As part of this programme, the Centre is committed to providing partial funding bursary for those supported by their church to participate in a Personal Retreat or Walking into your Healing Retreat.

*From a Guest  
"The beginning of healing is seeing what is wrong. I think I have had space here to do this – and for the Holy Spirit to be at work in me... Thank you for all your care and all your prayers. Since the time I booked I have felt them."*
